Finish the treatment with a customized colour match using RA IllumiColour Mineral Collection for beautiful outcomes that will have their skin radiant for those special nights out or important meetings! Less time, great results!

PRODUCTS USED

Pumpkin Cleanser

Beta Green Tea Cleanser

Derma Peel

Mandelic Arginine Peel

Antioxidant Complex Serum

Eye Revitalizer

Hydrating Grape Seed Serum

Blushed Wine Gel

Mist

SKIN PREPARATION

Cleanse skin with **Pumpkin Cleanser**. Rinse thoroughly with 4x4 gauze. Perform second cleanse with **Beta Green Tea Cleanser**. Rinse thoroughly with 4x4 gauze. Pat skin dry.

ENZYME APPLICATION

Dispense 1 tsp. of **Derma Peel** and apply to face and neck. Begin to massage into skin, the gel will begin to liquefy. Continue to work into skin for 5-10 minutes or until granules form on the skin. Rinse using warm water and 4x4 gauze. Pat skin dry.

BUILDING & STRENGTHENING APPLICATION

Apply 2-3 drops of **Mandelic Arginine Peel** to face and neck. Let absorb and remain on skin. Apply 2-3 drops of **Antioxidant Complex Serum** to face and neck. Let absorb and remain on skin. Apply 1 pump of **Eye Revitalizer** to eye area. Stipple into skin gently. Let remain on skin.

FINISHING APPLICATION

Apply moisturizer if needed. Mix a small amount of **Hydrating Grape Seed Serum** and **Blushed Wine Gel** and apply to face.

Finish with the appropriate **RA IllumiColour Mineral Crème** and/or **Mineral Powder** using the following Application Techniques for the desired coverage and colour match.

MATTE

Apply powder with our Elegant Brush using circular motions to blend color in. Finish with Mist if desired.

LIGHT

Apply crème with clean hands for a luminescent, effortless-looking glow. For more coverage, a second application may be applied after crème sets for approximately 5 minutes.

HYDRA

Dispense two pumps of crème in powder lid and add desired amount of powder. Spritz our Elegant Brush with Mist and then blend crème and powder with brush. Use circular motions to apply and blend color into skin.

CAMOUFLAGE

Blend powder and Mist together in lid and apply with our Elegant Brush using small strokes to blur imperfections.

AIRBRUSHED

Option 1 - Apply crème with our Elegant Brush. Use circular motions to blend color in.

Option 2 - Dispense two pumps of crème in powder lid and add desired amount of powder. Use our Elegant Brush applying with circular motions to blend color in. Finish with Mist if desired.
